

AVENCAST

Quick Info

Movement:

There are 3 movement control modes:

- "*easy*": WASD movement in screen coordinates
- "*expert*": WASD movement in direction of hero. Requires some practice.
- "*follow*": Camera fixed behind the hero.

Keyboard:

CTRL	Rotate camera
SHIFT / mouse 3	Center camera
E	Use / interact
F	Highlight usable objects
R	Run mode
1,2,3	Use quick slot items
F1-F4	Spell shortcuts
V	Toggle camera follow mode
C	Character sheet
K	Skill tree
I	Inventory
L	Quest log
O	Options
ALTGR + S	Quick save
ALTGR + L	Quick load

Rolling: quickly press W,A,S or D twice to roll.

Dodging: press SPACE and W,S,A or D at the same time to dodge.

Skills / Spells:

There are two ways of casting spells:

- Press F1-F4 with cursor on spell icon to set a shortcut. Press the same key during combat to cast the spell.
- Quickly press the key combination as described in the spell info window. Blood Magic spells finish with the left mouse button, Soul Magic with the right mouse button.
